A dining table with a light wood top and white base is set for a meal. Two place settings are visible, each featuring a light green plate on a matching saucer. To the right of the plates are several clear wine glasses, some containing a light-colored beverage. A small potted plant in a gold container and a glass jar with a purple lid are also on the table. A striped placemat runs along the edge of the table. Above the table, a white shelf holds a framed picture with the text "Enjoy the little things" surrounded by greenery, a small cactus in a white pot, and a red cat figurine. The wall behind the table is a light, textured gray. A wooden cabinet is visible on the left side of the image.
